

Lab 13

1. Question 1 :

In CommonJS :

```
nextTick 1  
promise 1  
setImmediate 1  
setTimeout 1  
<file content>
```

Output in ES Module :

```
promise 1  
nextTick 1  
setImmediate 1  
setTimeout 1  
<file content>
```

2. Question 3 : difference

Use Case	Recommended Method
Small config files on startup	fs.readFileSync()
General asynchronous file read	fs.promises.readFile() or fs.readFile()
Large file streaming	fs.createReadStream()
